Learning from a prayer space

KS2 Lesson 3 of 4

Christian prayer: connections

Learning opportunities for 7-11s on themes about prayer and reflection.

Prayer Spaces in Schools create extraordinary opportunities for children and young people to think about prayer and to consider spirituality in open-minded experiential ways.

This lesson is one of a series written by Lat Blaylock of RE Today and provided free to schools to enable learners to use critical and reflective thinking skills to learn about spirituality, prayer and reflection.
